Municipal Loan.**NOTIFICATION.**

THE Justices of the Peace for the Town of Calcutta, with the sanction of the Lieutenant-Governor of Bengal, and under the powers vested in them by Act VI. of 1863, B. C., are prepared to receive Tenders for Loans on Debentures for Twelve Lacs of Rupees, on the security of the Rates, Taxes, and Dues imposed and levied under the aforesaid Act, for the execution of works for drainage and for the general improvement of the Town of Calcutta.

2. The Debentures will have a currency of twenty years, be transferable by endorsement, and carry interest at the rate of five (5) per cent. per annum from the 1st of January 1863, payable half-yearly, on the 30th June and 31st December, at the Bank of Bengal.

3. The Loans are to be paid into the said Bank of Bengal in two instalments—that is, the first of forty per cent. on the 15th of September next, and the second of sixty per cent. on the 1st of November.

4. The Tenders are to be for the sum of Five Hundred Rupees and multiples thereof, and are to be forwarded, sealed and superscribed "Municipal Loan," to the Secretary of the Justices of the Peace for the Town of Calcutta, at the Office, No. 1, Chowinghee Road, and will be received up to noon of the 31st August next.

5. Parties tendering must pay into the Bank of Bengal, to the credit of the Justices of the Peace, a sum equal to five per cent. of the amount tendered, the Bank receipt for which must accompany the Tender.

6. If the Tender be accepted, the deposit will be taken in part of the 1st instalment, but it will be forfeited if after acceptance of the Tender the balance of the first instalment be not paid on or before the date fixed for payment.

7. The deposit on Tenders which may not be accepted will be returned on application.

8. A Tender, however small, at a high rate will be accepted in preference to a Tender for a large amount at a lower rate; and in case of equality of Tenders above the amount required, a pro rata allotment will be made.

9. The Justices reserve to themselves the right of refusing all Tenders below a certain minimum rate, to be fixed by the Chairman, on the advice of the Finance Committee, at noon of the 31st August next, previous to the opening of the Tenders.

10. The Tenders will be opened on the 31st August, at one o'clock p. m., in the presence of the Chairman, and of not less than three Members of the Finance Committee.

11. Scrip Receipts will be granted to the parties whose Tenders may be accepted for each instalment as paid in, and Debentures will be issued in exchange for the Scrip fifteen days after payment of the last instalment.

12. Anticipation interest up to the 31st December 1864 will be paid on the issue of the Debentures.

No. 682.

Extract from the Proceedings of the Government of India in the Financial Department, Simla, under date the 2nd June 1864.

READ the following letters regarding the proper interpretation of some of the Rules for deputation allowance to Military Officers in Civil employ, which were promulgated in Financial Notification No. 5914, dated 28th November 1863, i.e.,—

Letter from the Civil Pay Master, North-Western Provinces, No. 265-112, dated 6th November 1863.

Letter from the Civil Pay Master, Fort William, No. 8892, dated 17th March 1864.

Letter from the Civil Pay Master, Fort St. George, No. 68, dated 21st March 1864.

RESOLUTION.—The Governor General in Council is pleased to decide that when deputation allowance is given, under the Orders of 24th November 1863, to a Military Officer acting in a Civil appointment, it shall be given at the actual

sum admissible according to the percentages therein authorized even if it be less than Rupees 200 per mensem.

When a Military Officer acts in a Civil appointment to which a consolidated salary is attached, his deputation allowance will be computed on the net Staff pay comprehended in that consolidated salary if he be doing the duties of another substantive appointment in addition, but on the gross consolidated salary if he be serving exclusively in the acting appointment.

ORDER.—Ordered, that a copy of this Resolution be communicated to all Civil Pay Masters.

No. 1577.

Extract from the Proceedings of the Government of India in the Financial Department, Simla, under date the 28th July 1861.

Read again the Resolution No. 682 passed in this Department on the 2nd June 1861, deciding that when a Military Officer acts in a Civil appointment to which a consolidated salary is attached his deputation allowance will be computed on the net Staff pay comprehended in that consolidated salary if he be doing the duties of another substantive appointment in addition, but on the gross consolidated salary if he be serving exclusively in the acting appointment.

Read a letter from the Officiating Civil Pay Master, Bombay, No. 571, dated the 1st July 1861, and a Memorandum from the Civil Pay Master, Fort William, No. 4325, dated the 5th idem

RESOLUTION.—The Order of 2nd June 1864 conformed to the literal interpretation of the Despatch of the Secretary of State dated 31st August 1863; but on re-consideration it is evident that the word "Staff," which occurs in the 4th clause of the 31st paragraph of the Despatch, has been inadvertently used before the word Salary. The Governor General in Council is accordingly pleased to rule, with reference to the 1st clause of the 31st paragraph, that the deputation allowance of a Military Officer officiating in a Civil appointment to which a consolidated salary is attached shall, whether he be relieved of his substantive duties or not, be calculated on the gross consolidated salary of the appointment in which he is officiating, that being the principle on which deputation allowance when granted to Covenanted Civil Servants is computed.

ORDER.—Ordered, that a copy of the foregoing, and of the Resolution therem referred to, be forwarded to the Foreign and Home Departments; the Governments of Bengal, Madras, Bombay, the North-Western Provinces, the Punjab, and the Straits Settlements.

Ordered also, that a copy of the above Resolution be forwarded to the Civil Pay Masters, Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab.
